Remarks:
 This is rare and one of a kind opportunity.... Spectacular and dramatic views from every room in this house: Ocean, Queen's feet situated on a 10,646 square foot lot with 5 bedrooms and 3 baths. A beautiful serene entry leads too a very large open floor plan with custom lighting, natural maple floors and natural walnut floors on the second level, marble, granite and custom tiles. A unique BBQ dining and entertaining area leads you too an exceptional, expansive private backyard, a Tropical Paradise With a system with waterfall and spa, heated by Solar panels. Finally, access to very peaceful and private 100 foot flat pad overtop of the ocean.
