

What Does Coffee Have To Do With Selling Real Estate?

TRUE STORY:

A woman stopped by her local coffee shop, where she picked up a **FREE** copy of **The MLS Weekend Homes & Open Houses™**, thumbed through the latest issue of the weekly magazine, saw a house she was interested in, went to the Open House and made an offer on the listing all in the same day!

All from reading an ad placed in **The MLS Weekend Homes & Open Houses™**!
