

**COMING SOON!**

Another **FREE** Member Benefit  
Available to The **MLS®/CLAW** Members

# The **MLS** DocManager™

**Watch for more information about the launch of our new Document Manager product!**

Innovative, New offering  
that works effectively with  
The **MLS®**.com to  
provide you with enhanced,  
automated document  
management features!

- Integrated with The **MLS®**.com - no need to learn new password
- Easily upload documents directly from The **MLS®**.com system that you use everyday
- Document-centric feature set allows for one click management of new and revised public and private documents
- Post your Disclosures, Property Flyers, HOA documents and more to all The **MLS®/CLAW** members while making other documents 'private'
- With The **MLS** DocManager™ you choose who sees your documents
- Share your public documents directly from your listings and view them from **THEMLS PRO®**
- Archive your entire transaction file to any location and/or place on a CD-ROM for consumers, agents, or office storage
- The **MLS** DocManager™ will soon be available to all **MLS** members - at no additional cost!
