

MY FAVORITES PORTLET ADD LINKS TO YOUR MOST FREQUENTLY VISITED MLS PAGES & FAVORITE WEBSITES!

The screenshot shows the homepage layout with several portlets:

- Quick Links:** A list of frequently used tools and services like 'MLS Alliance', 'The MLS REALTX', and 'The MLS TRANSACT'.
- Open Houses:** A section with links to create an open house, view today's open houses, and take advantage of money-saving packages.
- My Favorites:** A portlet where users can organize their most visited pages. It shows a list of items like 'Financial Functions', 'MLS Alliance', and 'MLS Toolkit', each with a delete icon. It also includes a search bar and category management options.
- Listing Searches:** A section for finding listings, categorized into Residential and Commercial. It lists various property types like 'Cross Property', 'Single Family', and 'Lease'.
- MLS RealTX:** A search interface for public record information, allowing users to search by APN, Address, or Owner.
- My Prospects:** A table showing a list of prospects with columns for Name and Last Run.
- Membership Info:** A portlet for user account management.
