## READ WHAT OUR ADVERTISERS ARE SAYING ABOUT IT..

Thank you so much of convincing me to advertise my new condominium listing in Brentwood in the January 6th & 7th Weekend Edition of The MLS Weekend Homes & Open Houses<sup>TM</sup> which is free to the general public and has a great distribution.

I had over (110) people that day during just a 3 hour Open House. That next week I received multiple offers, yes, I said multiple offers!

I am looking forward to advertising my next listing in the Weekend Edition of the The MLS Weekend Homes & Open Houses<sup>TM</sup> and receiving the same great results.

Warmest regards, Mark Handler Coldwell Banker Brentwood Court Office

The Weekend Edition of The MLS Weekend Homes & Open Houses<sup>TM</sup> is comprehensive and user friendly. It has proven to be the most powerful vehicle to promote my listings to potential Buyers.

I am so excited to tell you what an incredible response I had to the full page ad I placed in the MLS Weekend publication.

I had 50+ people stop by the property, of these approximately 42 were directly related to the ad. Your Ads work!

Thank you, Marie-France Law Nelson Shelton & Associates
