Designed To Move is the nation's expert service for Property Enhancement. Offering much more than mere staging or "rearranging", Designed To Move adds value to properties for sale by working with interiors, design, landscaping and marketing. Real Estate professionals across the country agree that these superior enhancement experts add to the bottom line of any home sale and eliminate the guess work for presenting homes in their best light.

Mold USA

Mold USA was founded in 2001 with the intent of bringing Honesty, Integrity and Consistent Quality to an unknown industry that lacks licensing requirements and proper state legislature. Our goal is to always go above and beyond the minimal standards that currently exist as well as keeping up with the newest studies and technologies. We will never use scare tactics nor will we sell the desired results for the promise of continual volume business.
