YOUR ONLINE DOCUMENT MANAGEMENT SYSTEM

**HANDS-ON TRAINING
NOW AVAILABLE**

ORGANIZATION, EFFICIENCY, & ACCESSIBILITY

Webinar Training & Hands-On Training Take One Hour of Your Time! Learn All About it! Save Time!

FOR HANDS-ON Training, Please Call 310.358.1833 | To Register for webinars, please go to TheMLS.com Homepage and click May 2010 Webinars

- You have the option to share documents with all The MLS®/CLAW members, allowing your peers to see pertinent information about your property without having to contact you. 
- Go the Extra Mile! Upload the document(s) of your choice to your listings and share them with All The MLS®/CLAW Members when you select The MLS option.
- Back up your files to a CD.
- Upload disclosure documents, marketing fliers, photos, and other public information about your property.
- A link to your documents will be displayed on the THEMLSPRO® Agent/Client Detail Reports, the Profile Page Report as well as the Search Results Report.
- Provide a central communication point for all participants by providing them access to your transaction.
- Store your document online for up to 10 years.
- Access your documents from anywhere in the world, simply by logging into TheMLS.com Members Site.
- No more worries about losing or damaging your documents.
- Upload your Winforms documents.
- Email documents and receive PDF versions of signed documents which will be sent directly to your DocManager inbox email.

The MLS DocManager™ is a powerful, secure platform for effective and profitable management of every phase of the real estate transaction.
