

Home Search Central™

The Direct Connection to the Real Estate Market

NEW RELEASE!

The MLS Home Search Central™ will help you improve communication with your prospects! Home Search Central is a new type of auto-notification that allows you to send an interactive link to your prospects. Here are just some of the key benefits of this exciting new tool:

Home Search Central™

- Monitor Prospect Activity
- Exchange Notes with your Prospect
- View your Prospect's Favorites, Possibilities & Rejects
- Suggest properties for your Prospect
- Provide your Prospect with New Report Options

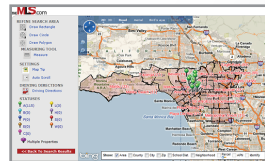

THE MLS.com
THE MLS OF CHOICE™

NEW! bing™

New Map Boundary Overlays!

This new feature will allow you to overlay your search results with pre-drawn boundary maps for any of the following:

- City
- ZIP Codes
- Neighborhood
- School District
- Parcel
- County

Start a CMA from the Listing Search Results Screen!

This new feature will allow you to start a CMA from any search results screen. Click the Create New CMA button, and you'll be taken directly to the CMA Wizard!

Mobile Training Lab!

The MLS®/CLAW Mobile Training Lab comes equipped with 10 computers so that we can bring hands-on training to your office! Contact your Account Executive or The MLS Help Desk at 310-358-1833 to book a training today!

Don't Forget! Our Webinars are ALL Available 24/7!

Get ANYTIME Training from the comfort of your home or office! Visit the Help Section inside THEMLSPRO® to see a full list of available recordings.
