“

Dear Mark,

When both agents and clients ask me whom I work with for residential lending, I consistently recommend you. Why?

Because you consistently demonstrate the amazing qualities that have made our transactions successful: vigorous tenacity to get the job done, fearlessness to meet the most challenging situations, and a forthrightness in quickly determining what's possible for the applicant up front. In addition, your ability to tap into a panoply of financial programs makes your services available for a variety of buyers.

Thanks so much. I look forward to another thirty years of working together.

“

Dear Mark,

I want to thank you for helping to close my most difficult deal of 2013! The prospect of closing a transaction with international clients was daunting, to say the least. Your expert knowledge of complex financial scenarios, as well as total availability after hours to my overseas clients proved your commitment to getting the deal done.

In my 25-plus years as a real estate professional, I have come to understand that there is absolutely no substitute for experience, hard work and, most of all, talent. I truly believe that you are the best in this business.

Warm regards,
