As a professional working in financing for over 20 years, Bonnie is committed to providing excellent service with an in-depth understanding of the mortgage loan process. Bonnie began her career on the operations side in processing, underwriting and funding divisions, and then decided to navigate to originations. Initially, she had worked with the PRIDE Program, a program developed for Civil Servants and included term life insurance to protect families in case of loss of life of the insured. This also allowed Bonnie the opportunity to provide competitive rates and terms to Civil Servants such as Police, Highway Patrol and Firefighters, and became an extremely rewarding career opportunity to be able to give back to those who directly serve our communities. Bonnie has carried this philosophy throughout her career and looks forward to an opportunity to assist her clients with all their home lending needs.
