“I’m so excited to have made the move to Pacific Union International, the largest independent brokerage firm in California. Since the first day I joined, I’ve felt part of a collaborative team that’s focus was making my business as easy and as successful as I want it to be. From the marketing team to the office administrator, to IT support all have been nothing but incredibly competent, supportive and professional. Welcome emails from seasoned agents, flowers on my birthday, and check up calls asking if my transition is going ok all make me feel I’m part of a very large supportive family. Pacific Union International is a large, successful brokerage with a boutique agency feel. All of this, I believe, will make the experience my clients have even more positive.”
