What's the most-often-asked question about homes in the hills? "How's the view?" From this home, the answer is panoramic. And eye-catching. And beyond breathtaking. This three-level 3BR+loft/2.5BA single-family is oriented to bring the views into every single room. Built in 1990, the current home (at 3,527 sq.ft.) could easily be expanded since its lot size is 20,165 sq.ft. Room for a pool? Of course. Room for an addition? Yup. With some work at the City, one could even potentially split the lot.
