Portuguese Bend Estate

15 Sweetbay Road, Rancho Palos Verdes

Located in a bucolic gated community in Portuguese Bend, this magical property is what Southern California living is all about. Views of the Pacific and Catalina are framed by verdant landscaping and the ocean breeze soon makes one forget the stresses of big city life. The 3/4 acre lot affords complete privacy and such tranquility that you may never want to leave.

A masterful renovation and expansion inspired by the owner's travels in Southeast Asia has retained the home's mid-century post-and-beam lines whilst incorporating warm reclaimed woods and elements of natural stone. The open floorplan and flow between indoors and out make this a wonderful house to entertain in. A large chef's kitchen equipped with stainless sub-zero refrigerator and Viking appliances opens onto a flagstone outdoor dining patio and outdoor kitchen shaded by hanging grapevines.

A recent addition, the spacious guest house is sited behind and slightly uphill from the main residence, affording terrific views and a number of usage possibilities: home office, music studio or simply a place to retreat and unwind. The property's landscaping is breathtaking, with winding pathways that lead one from a Japanese tea garden to a cactus garden and on to a quiet pond shaded by a giant California pepper tree.

Minutes from both the Terranea Resort and Trump golf course, Portuguese Bend offers a host of outdoor activities, including hiking, horseback riding and the beautiful beaches of Abalone Cove. Easily accessible from LA's Westside and Downtown, 15 Sweetbay is a true sanctuary, offering a relaxed, creative environment that now awaits its next lucky owner.

FHA/VA CERTIFICATION

**How to work with condo associations
to obtain or renew FHA/VA certification**

Join us to learn about C.A.R.'s Pilot Program

The **Beverly Hills/Greater Los Angeles Association of REALTORS®** is proud to be part of a C.A.R. pilot program that provides training to REALTORS® on how to work with condo associations to obtain or renew FHA/VA certification.

The FHA/VA loan programs have helped many qualified borrowers achieve the American Dream of homeownership. However, over the last five years many condo projects once approved for FHA/VA loans have lost their approval standing. WHY? FHA/VA approvals are not permanent and do expire.

Come learn how to help get condo projects approved. The process is easy and may assist you in obtaining more listings. You will also hear about how the FHA/VA certification will help both condo and conventional buyers.

Class topics include:

- VA approval requirements
- FHA approval requirements
- How does a homeowner association move forward?
- How is recertification needed?
- FHA & VA buyers are qualified to purchase a condominium, but does your condominium project qualify for them?
