 [Register](#)

Thursday Time: (10:00 AM - 11:00 AM)

* Start a new CMA

* Search The MLS® database for a Subject Property or manually enter an Unlisted Property as the Subject Property

* Add Subject/Comparable(s) from Public Records

* Select and edit Comparable Properties

* Save a CMA/Edit Comparables

* Retrieve/Edit/Update a CMA

* Print a CMA

* Delete/Copy/Rename a CMA

* REALTX™ - Full-featured, web-based public record service that integrates with THEMLSPRO® and delivers up-to-date public records information.

November 6, 2009 - THEMLSPRO® Latest Enhancements

 [Register](#)

Friday Time: (2:00 PM - 3:00 PM)

Learn all the advanced options and features of THEMLSPRO® to keep you ahead of the game.

- Learn how to display agent remarks on the agent detail reports.
- Learn how to display only the most common fields on SLIMM.
- Links to the CARETS Agent Detail and the CARETS Client Detail Reports have been added to the Profile Page.
- Learn how to go directly to the "CARETS Agent Detail" or "CARETS Client Detail" Reports when clicking on the MLS# link.
- Private Client Website

November 6, 2009 - The MLS DocManager™

 [Register](#)

Friday Time: (10:00 AM - 11:00 AM)

The MLS DocManager™ and the Fax Manager™ enable you to upload documents to your listings that can be viewed, at your discretion, by CLAW members via THEMLSPRO®/TheMLS.com. You can now upload a number of documents to your listings, such as open house information, floor plans, neighborhood information, demographic information, school information, mold disclosure, lead based paint disclosure and much more. A link to your documents will be displayed on the Agent Detail Report as well as the Search results Report on THEMLSPRO®.

Don't Miss Out! Join us for this short, yet informative webinar.

CLAW Members - Learn why the MLS/CLAW CEO endorses Mobile MLS Search from Smarter Agent

Mobile is more efficient and less time consuming. It makes it possible to be anywhere and have access to the information that you want. You don't have to log into a computer or carry a laptop. You just have to have a cell phone."

- CARETS™: The MLS®/CLAW has merged databases with four other MLS's in Southern California, find out what this means for your listing and how to use this service to your advantage!
- TextMYMLS, provides real estate agents with an innovative way to deliver instant information on their listings, while capturing valuable lead information.
- Clarus™ MarketMetrics helps you provide your clients with a powerful set of localized reports that contain market trend and pricing information in a highly visual format.
- Realist ValueMap™ helps you estimate the value of your listing property!
