

Lockbox New Rule

(Effective June 1st) Section 13.6 Required Lockbox: If a lockbox is present on a Residential or Residential Income (1 - 4 Units) property which is located and is listed for sale or lease in the CARETS (CLAW®/MLS, Social MLS, MRMLS, I-Tech MLS, and Crisnet MLS) service areas, the lockbox must be an electronic lockbox that is accessible by a key issued by one of the CARETS members. More than one lockbox may be used on a property as long as one of them meets the criteria above.
