

## Get Started with Supra

Supra has provided keyboxes to the real estate industry since 1955, bringing efficiency to real estate professionals and peace of mind to home sellers. As a member of The MLS™ you have the option to obtain a Supra eKEY®.

### eKEY®

Get efficient access and powerful information with the eKEY® app. There are two service levels available: **eKEY® Basic** for common keybox functions and **eKEY® Professional**, which enhances basic capability with additional business tools such as storing MLS data on your phone, linking listings to maps, and creating real-time showing notes.

**Cost:** \$50 setup fee + \$30 programming fee + monthly fee

### XpressKEY®- *Discontinued*

Supra is retiring the XpressKEY®. If you have an XpressKEY®, make sure to turn it in at The MLS™ Office Supra Dropbox before Monday, December 13, 2021 at 5:00 P.M. If you would like to replace your XpressKEY® with an eKEY® to continue showing properties, please submit the [Supra eKEY® Upgrade Form](#) to [helpdesk@themls.com](mailto:helpdesk@themls.com) as soon as possible to avoid any service interruptions. After December 13, 2021 XpressKEY® will no longer work due to 3G cellular being discontinued by cellular providers.

### How to Activate

To activate a Supra eKEY®, please submit the following items to [Helpdesk@themls.com](mailto:Helpdesk@themls.com):

- [Supra Application Form](#)
- [Credit Card Authorization Form](#)
- 1 Form of ID (Driver's License or ID)
- Self-portrait holding up Driver's License / ID (See photo example to the right)
